

# STAS cliprail®

picture hanging systems

## product description **STAS cliprail**

The STAS cliprail system is a basic hanging system of flawless quality. The STAS cliprail is the most commonly used hanging rail and still a no-nonsense bestseller. The rail, which is available in white or a natural aluminium colour, is easy to fit and blends in well with every interior.

## application

If you want a robust, no-nonsense hanging system, the STAS cliprail system is your best choice. The STAS cliprail is a rail that is attached to the wall using a special mounting clip.

## mount assembly

## features

material	aluminium rail
colour	white or natural aluminium
dimensions	8,2 x 25 mm
carrying loads	up to 20 kg per meter

## STAS quality and innovation

STAS picture hanging systems has proven itself to be the world's most innovative manufacturer of high-quality picture hanging systems. STAS only uses the best materials and closely controls every step of the production process. Our products have been awarded no less than 20 unique patents. The STAS smartspring was even awarded a gold medal at the Inventors' Convention in Geneva and the STAS cobra has won a Good Industrial Design Award. The STAS minirail won the 'Best Product Design Award for Decorative Accessories'. That is why STAS products are used all over the world in both family homes and in businesses, educational institutions, government buildings and the most prestigious museums and galleries.
